

# SHOP BENGIL

Small change...big benefit

## **Make your hard earned money go further by shopping BenGil.**

- Spending locally fuels the economy and supports our local businesses.
- The sales and property taxes stay right here to fund services for your family.
- It makes Benld and Gillespie a better place to live.
- You get great products and services!

## **Even a small increase in local shopping will have a profound economic impact.**

- You will save on gas.
- You will have more to spend.
- Local business owners and employees will have more to spend; they will spend locally to invest in our future.
- Local business owners support local causes and contribute to area non-profit organizations.

## **BenGil's local shops and restaurants make us rich in character and distinct from others.**

- They provide local flavor and color.
- They offer us unique products.
- Business owners select products and merchandise with their customers in mind.
- Shopping locally makes it a personal experience, the business owner cares about you!
